

Sr.No.	Name of Department	Location
1	Anatomy	<ol style="list-style-type: none"> 1. Dissection hall- Ground floor college building. 2. Histology lab- Ground floor college building. 3. Museum- Ground floor college building. 4. Demonstration Rooms (2 in no.)- Ground floor college building. 5. Library- In department. 6. Research Lab- First floor with central research lab. 7. Staff accommodation- Ground floor college building.
2	Physiology	<ol style="list-style-type: none"> 1. Demonstration Rooms (2 in no) – First floor college building. 2. Amphibian lab – First floor college building. 3. Mammalian lab- First floor college building. 4. Hematology lab- First floor college building. 5. Clinical physiology lab- First floor college building 6. Library –In department. 7. Research Lab- First floor with central research lab. 8. Staff accommodation- First floor college building.
3	Biochemistry	<ol style="list-style-type: none"> 1. Demonstration Rooms (2 in no) - Second floor collegebuilding. 2. Practical lab – Second floor college building. 3. Library – In department. 4. Research Lab- Second floor with central research lab. 5. Staff accommodation- Second floor college building.
4	Pathology	<ol style="list-style-type: none"> 1.Demonstration Rooms (2 in no.): 3rd Floor & 4th Floor GMERS Medical College Building 2.Histopathology/Cytopathology Lab - 4th Floor GMERS Medical College Building 3.Clinical Pathology/Hematology Lab - 4th Floor GMERS Medical College Building 4.Service laboratories (4 in no) and 1 Research lab- 4th Floor GMERS Medical College Building 5.Lecture Hall (1 in no)-Common for all Departments: 4th Floor GMERS Medical College Building 6.Museum + Ante Room- 4th Floor GMERS Medical College Building 7.Store- 4th Floor GMERS Medical College Building 8.Staff accommodation- 4th Floor GMERS Medical College Building

<p>5</p>	<p>Microbiology</p>	<ol style="list-style-type: none"> 1. Demonstration Rooms (1 in no.)- Third Floor, College Building 2. Lecture Hall - Common for all Departments. 3. Museum - Third Floor, College Building. 4. Practical Laboratory + Prep. Room - Third Floor, College Building. 5. Staff accommodation - Third Floor, College Building
<p>6</p>	<p>Pharmacology</p>	<ol style="list-style-type: none"> 1. Demonstration Rooms (2 in No.)- One on Fifth floor and other on third floor of College building 2. Experimental Pharmacology Laboratory- Fifth floor College building 3. Clinical Pharmacology Laboratory-Fifth Floor, College building 4. Lecture Hall (4 in No.) - Common for all Departments. 5. Museum - Fifth Floor, College Building. 7. Staff accommodation - Fifth Floor, College Building. 8. Departmental Library cum Seminar room- Fifth floor, College building 9. Research laboratory- Fifth floor, College Building 10. Animal House- In between college building and Hospital building
<p>7</p>	<p>Forensic Medicine</p>	<ol style="list-style-type: none"> 1. Demonstration Rooms (2 in no.)-2nd Floor, New College Building. 2. Teaching Laboratory - 2nd Floor, NewCollege Building. 3. Lecture Hall (2 in no) - Common for all Departments. Museum - 2nd Floor, NewCollege Building. 4. Store - 2nd Floor, NewCollege Building. 5. Staff accommodation - 2nd Floor, NewCollege Building.

8	Community Medicine	<ol style="list-style-type: none">1. Demonstration Rooms (2 in no.)-5th Floor, Medical College, Building.2. Lecture Hall (1 in no)-LH-4, 4th Floor, Medical College, Building.3. Teaching Laboratory – 5th Floor Medical College, Building.4. Museum – 5th Floor, Medical College, Building.5. Store - 5th Floor, Medical College, Building.6. Staff accommodation – 4th Floor & 5th Floor, Medical College Building.
