

IAPSM World Health Day Quiz 2016

Every year, 7th April is celebrated worldwide as a World Health Day (WHD). A specific theme for the year is selected by World Health Organization (WHO). This year's theme for world health day is "Beat Diabetes". Medical students need to be sensitized on diabetes as they are going to come across with the large chunk of their total patients.

Indian Association of Preventive and social Medicine has decided to organize nationwide quiz for MBBS students in Medical Colleges, on 7th April 2016, World Health Day. This quiz was organized simultaneously at the same time in more than 200 colleges across India.

Dept. of Community Medicine, GMERS Medical College, Valsad also became part of this nationwide quiz. Dr Hitesh Shah (Associate Professor) had taken the overall responsibility for organizing the quiz. Dr Ravikant Patel (Associate Professor) was the nodal officer for the quiz. Dr Hinal Baria and Dr Priti Solanky (Assistant Professors) were the coordinators and quiz masters for this quiz.

Total 33 students (11 teams) from different batches participated in the elimination round conducted on 5th April 2016. Out of which 4 teams were selected for the final quiz which was conducted on 7th April 2016. 45 students and 20 faculties from the college attended the quiz competition.

The quiz was successfully conducted and benefited both the participants as well as audience as far as knowledge of diabetes is concerned. It was a tough competition between teams with winner team just 10 marks ahead of the 1st runner ups. It shows keen participation of students of our college.

The department is very much thankful to the Dean Sir and other College and hospital authorities for their valuable support in organizing the quiz.

	Name of the student	Batch
